

Pre-Solicitation Questions with Answers

Q#	Question	Answer
1	Could let us know what your interests are in keeping the current staff if another contractor wins?	This is a management decision of the vendor.
2	Will this RFP not be automatically posted in FedBizOpps?	When the RFP is issued, it will be posted on the FBO website through FedConnect.
3	Will this be a small business set-aside, and if so, what is the size standard?	Yes, \$7.0M
4	Who is the incumbent?	Systematic Management Services Inc
5	I would appreciate it if you would provide me with that person's name and contact information. My company is potentially interested in this re-compete and we are trying to obtain sufficient data so as to enable us to make an informed decision.	This information can be submitted using a freedom of Information request. The technical point of contact cannot disclose any information regarding the future contract source selection.
6	Is this new work?	This is a re-compete of a previous contract
7	Can you please tell me who is the incumbent and what is the name of the contract they are providing support under?	See Question 4 above. Emergency Operations Training Academy (EOTA) Support Services.
8	Will this reading room be a physical location, or will this be a forum online?	Online web address (Virtual Library)
9	Is there an update on the reading room?	Not at this time
10	Is the incumbent is qualified to bid because of his size?	No
11	The NAICS code you specify 541 which is under 500 people is that correct?	No. The NAICS code is 541611. The size standard is \$7.0M.
