Prospective Offerors:

The Department of Energy, National Nuclear Security Administration (DOE/NNSA) is providing this Request for Proposal (RFP) entitled "NNSA Pantex/Y-12 National Security Complex and DOE Oak Ridge Office Consolidated Protective Force Services" (DE-SOL-0003552) for the purposes of soliciting a proposal from interested Offerors. DOE/NNSA anticipates awarding two separate contracts from this solicitation; one contract to support the NNSA scope of work and a second contract to support the DOE scope of work. The solicitation includes 18 Contract Line Item Numbers (CLINs) that will cover work to be performed at five sites addressing four different areas (labor, labor related costs, other direct costs, and award fee). CLINs 0001 – 0002 cover the transition period, CLINs 0003 – 0010 cover the base period of performance and CLINs 0011 – 0018 cover the option period of performance in accordance with the site details disclosed in the final RFP. All clauses and provisions apply to both contracts unless specified otherwise.

The acquisition is being solicited through full-and-open competition in accordance with FAR Part 15 – Contracting by Negotiation. Offeror's are encouraged to review the RFP carefully as a number of changes have been made in response to industries input during review of the draft RFP. To assist prospective Offerors in indentifying these changes, a Changes Matrix is attached to this letter depicting changes made from the draft RFP to the final RFP. Please note this matrix may not be all inclusive and it is up to each Offeror to review the RFP in its entirety to ensure a full understanding of all RFP terms, conditions and instructions.

The NNSA has established an acquisition webpage at <http://www.doeal.gov/PYCPS/default.aspx>, which will be utilized to disseminate information relating to this acquisition. Offerors are encouraged to monitor the acquisition webpage since it will be used as a principal distribution source of information to Offerors regarding notices, changes, questions and answers, reading room material, oral presentations as well as other pertinent information. The entire RFP will be made available on the Government Point of Entry (GPE) website at <http://fedbizopps.gov> and the NNSA webpage referenced above. Paper copies of the RFP will not be made available.

The Contracting Officer is the sole point of contact during the conduct of this acquisition and Offerors are requested to submit any correspondence to me at Pantex.Y-12.DOE.ProForce.SEB@nnsa.doe.gov. As stated in the RFP, representatives from Cogent Security Consulting, LLC and Battelle Pacific Northwest National Laboratory may assist as advisors with the development of the Government's requirement as explained in Section L, DOE-L-1015, Notice of Intent – Use of Non-Federal Advisors.

In accordance with Section L, NNS-L-1017, Intent to Propose, Offerors who intend to submit a proposal are requested to submit their organizations requested information within 10 business days after release of the RFP as instructed in the referenced provision. Comments or questions related to

the RFP will be accepted in accordance with the instructions set forth in Section L, NNS-L-1001, Questions Concerning this Solicitation. Lastly, proposals are due **on or before 12:00 ET, August 10, 2012** in accordance with the directions provided in Section L, provision NNS-L-1000, Proposal Submission Address and Due Dates of Offeror's Proposal.

Sincerely,

A handwritten signature in blue ink that reads "Catherine L. Waters". The signature is written in a cursive style with a large initial 'C'.

Catherine L. Waters
Contracting Officer
