Subject: Establishment of NNSA Service Center's Special Emphasis Program (SEP) Diversity Advisory Committee

On April 28, 2004, the National Nuclear Security Administration (NNSA) Service Center Director approved the Charter of the SEP Diversity Advisory Committee (attached). The mission of the Diversity Advisory Committee (DAC) is to promote parity within a diverse work force in the areas of training, recruitment, development and career advancement.

The attached "**Special Emphasis Program Diversity Advisory Committee Charter**" was collaboratively developed by all SEP managers and was signed by Karen Boardman, Service Center Director. Managers from each SEP are members of this advisory committee. To be more effective, we are broadening the membership to the council by inviting designees of the following offices:

- Director, NNSA Service Center
- Senior Diversity Champion Program
- EEO and Diversity Office
- Human Resources Department
- Sandia Site Office Manager
- Headquarters Office of Secure Transportation located at the Service Center
- Headquarters Office of Strategic Planning and Analysis located at the Service Center

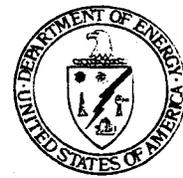

This charter focuses on strengthening and sustaining relationships with Service Center employees, managers, supervisors and community organizations serving underrepresented groups. It is the vehicle that sets clear direction for the group by identifying the mission, vision, goals, membership and authority.

I am requesting each of the above office director and/or manager to nominate a representative to the SEP Diversity Advisory Committee by COB June 15, 2004. Please give the name of your nominee to Yolanda Ruiz 505-845-4243. If you have any questions, please contact Yolanda or Ashok Kapoor 505-845-4574.

Thank you for your support in this endeavor.
