Compliance: Change 2 of the Order failed to incorporate interim guidance, "Policy on Waiver of DOE's Added Factor and Depreciation." Subsequent clarification from ORO confirmed the need to continue following this interim guidance.

Compliance: Implementation will be in accordance with DOE-ORO letter from J. R. Martin, Director, Finance Division, dated 08/03/1994, regarding the application of the departmental added factor (DAF) based on the source of funds. Effective 08/03/1994, the DAF rate will be applied to any work performed for a non-Federal entity (as opposed to full cost factor and depreciation normally applied to private work) if the work is financed from another Federal entity. Written documentation should be provided from the non-Federal entity or the other Federal agency. This change in policy applies only to new work.

Compliance: Implementation will be in accordance with DOE memorandum from Elizabeth E. Smedley, Controller, dated 08/25/1994, regarding the waiver of the added factor and depreciation for small businesses and non-profit organizations participating in funds-in agreements, effective 10/01/1994. This waiver is valid for one year through 09/30/1995.
