The purpose of this modification is to reinstate clause I.124, add clause H.59, and make an administrative change to three previous funding modifications.

On October 30, 2000 the Secretary of Energy (Bill Richardson) approved the inclusion of an indemnification clause in the contract for the period November 1, 2000 to September 30, 2005. The clause was modified once to include paragraph (j)(3) which was approved the Secretary of Energy (Spencer Abraham) on August 18, 2003. As a result, the approval for Clause I.124, FAR 52.250-1, INDEMNIFICATION UNDER PUBLIC LAW 85-804 (APR 1984)(ALTERNATE 1) expired on September 30, 2005 and was considered to be removed from the contract. On November 10, 2005 the Secretary of Energy (Samuel W. Bodman) approved the inclusion of the previous indemnification clause in the contract.

1. Clause I.124, FAR 52.250-1, INDEMNIFICATION UNDER PUBLIC LAW 85-804 (APR 1984)(ALTERNATE 1) was considered to be removed from the contract on September 30, 2005. That clause is now reinstated with the addition of "(MODIFIED)" added at the end of the clause title to recognize that paragraph (j)(3) was previously added to the clause.
2. Section H - SPECIAL CONTRACT REQUIREMENTS, of this Contract is revised by adding the clause shown below:

H.59 ELECTRONIC SUBCONTRACTING REPORTING SYSTEM

The requirement for the submittal of paper versions of the Standard Form (SF) 294, Subcontracting Reports for Individual Contracts, and SF 295, Summary Subcontract Reports, as provided in FAR 52.219-9(j) is hereby deleted and is replaced with the electronic submittal of data under the Electronic Subcontract Reporting System (eSRS).

The offeror's subcontracting plan shall include assurances that the offeror will (1) submit the Individual Subcontracting Reports and Summary Subcontracting Reports under the eSRS and (2) ensure that its subcontractors agree to submit Individual Subcontracting Reports and Summary Subcontracting Reports at all tiers, in eSRS.

The contractor or subcontractor shall provide such information that will allow applicable lower tier subcontractors to fully comply with the statutory requirements of FAR 19.702.

3. Clause I.90 referred to in modifications A118, A120, and A122 is changed to clause I.144.
