**The purpose of this modification is to show the available fee amount for FY 2008 including the allocation between base fee, stretch fee, and multi-site fee.**

**1. Clause B.2 of the contract is deleted and replaced with the B.2 clause shown below:**

**B.2 TRANSITION COST, ESTIMATED COST, MAXIMUM AVAILABLE FEE, AND AVAILABLE FEE**

**(a) Estimated Cost:**

- (1) The term of the transition period is from September 1, 2000 through October 31, 2000. The transition period will be on a cost reimbursement basis and the estimated cost will be negotiated after contract award.
- (2) The Estimated Cost of the Fiscal Year (FY) 2001 period of performance is \$567,376,000 (including fee).
- (3) The Estimated Cost of the Fiscal Year (FY) 2002 period of performance is \$634,411,000 (including fee).
- (4) The Estimated Cost of the Fiscal Year (FY) 2003 period of performance is \$674,299,000 (including fee).
- (5) The Estimated Cost of the Fiscal Year (FY) 2004 period of performance is \$719,428,000 (including fee).

**(b) Fee:**

- (1) The Estimated Fee Base as defined in Department of Energy Acquisition Regulations (DEAR) 970.15 for FY 2001 is \$484,177,068. The proposed Maximum Available Fee for FY 2001 is \$22,000,000.
  - The Estimated Fee Base for FY 2002 is \$527,634,396. The Maximum Available Fee for FY 2002 is \$22,000,000.
  - The Estimated Fee Base for FY 2003 is \$602,760,811. The Maximum Available Fee for FY 2003 is \$22,940,552.
  - The Estimated Fee Base for FY 2004 is \$633,649,655. The Maximum Available Fee for FY 2004 is \$26,200,000.
- (2) The Maximum Available Fee as proposed and set forth in (b)(1) above for FY 2001 shall also serve as the Maximum Available Fee for FY 2002 - FY 2005 and Option Years FY 2006 - FY 2010 unless the Estimated Fee Base for a given fiscal year deviates by more than plus or minus 15% from the Estimated Fee Base set forth above for FY 2001. The proposed Maximum Available Fee shall be applicable to the prime contractor and its members in a joint venture or Limited Liability Company, teaming partners, and subcontractors identified and considered as part of the selection and award of this contract, if any.

- (3) In the event the Estimated Fee Base deviates for any fiscal year more than plus or minus 15% from the Estimated Fee Base set forth in (b)(1) above, the Contractor agrees to negotiate with the U.S. Department of Energy (DOE) an equitable adjustment to the Maximum Available Fee amount to reflect the impact of such deviation. The new Maximum Available Fee for that fiscal year will be the amount calculated by DOE in accordance with DEAR 970.15 (consistent with the FY 2001 fee computation methodology), multiplied by the ratio of the proposed FY 2001 Maximum Available Fee in (b)(1) above and \$23,198,932. In the event the parties are unable to reach agreement on the Maximum Available Fee amount, the Government reserves the right to unilaterally establish the Maximum Available Fee amount.
- (4) The Available Fee for FY 2001 - FY 2005 and Option Years FY 2006 - FY 2010 will be negotiated annually (or any other period as may be mutually agreed to between the parties) between the Contractor and the Government. The Available Fee will be equal to or less than the Maximum Available Fee defined in (b)(1) above. The Available Fee shall be established considering the level of complexity, difficulty, cost effectiveness, and risk associated with specific objectives/incentives defined in the Performance Evaluation Plan (PEP), including work involving multiple-site taskings/objectives. Higher or lower levels of complexity, difficulty, cost effectiveness, and risk will correspondingly allow a higher or lower available fee. The portion of this Available Fee defined as award fee or comprehensive incentive versus performance-based incentives will be determined for each period during the negotiation of the requirements in the PEP. In the event the parties are unable to reach agreement on the Available Fee amount, the Government reserves the right to unilaterally establish the Available Fee amount. The Contract will be modified to reflect the Available Fee for each period.
